ABOUT THIS CLAIM

The $250 emergency room copay applies to the emergency room facility charge. Tests, imaging, drugs and IV services during the visit are subject to the deductible, then 20% coinsurance.

Your provider agreed not to bill you for the plan discount or for lines marked not covered with codes OA-18 or CO-97. If Linnet Valley Medical Center bills you more than $808.85 for this claim, call Member Services or the provider's billing office. Doctors who treated you, such as the emergency physician, bill separately; each of their claims gets its own Explanation of Benefits. Line-by-line details are on page 2. Your appeal rights are on page 3.

PROTECTION FROM SURPRISE MEDICAL BILLS

When you get emergency care, or are treated by an out-of-network provider at an in-network hospital or ambulatory surgical center, you are protected from balance billing: you should not be charged more than your plan's copayment, coinsurance and deductible, and what you pay counts toward your in-network deductible and out-of-pocket maximum. If you believe you have been wrongly billed, call Member Services or the federal No Surprises Help Desk.

OTHER HELP WITH YOUR RIGHTS

For help with your rights or with filing an appeal, you may also contact your state's department of insurance or consumer assistance program, or, for an employer group health plan, the U.S. Department of Labor's Employee Benefits Security Administration.
